Friday Palacinka Bites - July 17th

In this weekly Friday roundup series, we share brief beauty, style, fragrance and product launch news. * For your DAILY DOSE, make sure you *follow us on Twitter!* To catch up on **each week's** beauty reviews on the blog make sure you check out our **Weekend Beauty Review Updates**.

Soli Davis, one of our favorite NYC based aestheticians, is now at Shibumi Spa, NYC!

Shibumi Spa is located in the the **Eastern Athletic Tribeca Club, NYC** and the Spa menu has expanded - now including treatments such as a new *Bionova Blue Lamp Facial Treatment* that will amaze and astound you, and the *Anti-Oxidant Head to Toe Exfoliation Treatment*, which smells good enough to eat and leaves you baby soft and your skin glowing from head to toe..

Also, when the clients come for a facial treatment, healing session or body treatment they can use the gym, steam room, sauna, and showers at no additional cost. The sound of the waterfall and natural light make you feel as if you were someplace else, like your *own little sanctuary in New York*. Davis also has two wonderful spa therapists besides her that work from the heart, with amazing hands as well.

Finally one can get a full spa experience and it's a great place for girlfriends to have an afternoon working out and getting treatments! By appointment only - Tel:(212) 343-8788 or e-mail: solidavis@aol.com

Address: 80 Leonard Street between Church St. and Broadway
